# PREFACE

On behalf of the Central Georgia Genealogical Society and its Publications Committee, I wish to express our graditude and appreciation to Mrs. Davine V. Campbell of Marshallville, Georgia for her contribution of the 1852 Tax Digest of Macon County, Georgia. Her work has been donated for publication by our Society.

The 1852 Tax Digest of Macon County is not difficult to read, however it was prepared in alphabetical order within districts. Thus one must search the lot numbers within a district to determine the neighbors of a taxpayer. Mrs. Campbell has made every effort to identify hard to read names and to cross check questionable spelling with other available records. Since she prepared her work initially for her own use, it was necessary for us to reduce the print size to provide the necessary margins for binding.

Mrs. Campbell has also contributed her abstraction of the 1840 Census of Macon County and the 1870 Census of Macon County for publication by our Society. These are currently being edited for publication. She is also working on the 1880 Census for Macon County for future contribution to our Society and mutual agreements have been reached to do additional records from microfilms which we have funded.

Again our thanks to Mrs. Campbell for volunteering her service to accomplish these most needed genealogical projects. Our hat is off to her and we hope she is an inspiration for other society members to make like contributions.

It should be noted that Macon County was named for Nathaniel Macon, a North Carolina statesman. It was the ninetieth county created in Georgia and was taken from Houston and Marion counties in 1837 and county boundaries have changed and overlapped many times in this region. The land now Macon County began as part of four original land lot counties: Houston, Muscogee, Lee, and Dooly. Oglethorpe is the county seat.

TAX DIGEST

1852

This 1852 Tax Digest was taken from printed copies of the microfilm at Washington Memorial Library in Macon, Georgia.

There were so many occasions that I needed to refer to the tax digest and therefore I felt a need to have a copy more readily available. I would like to share this information with you. Please keep in mind, the hand-writing is a MASTERPIECE and should be framed rather than read. The I's and J's look very much alike. The S's and L's are almost identical. In every instance where these letters were found I referred to the 1850 Census of Macon County, the 1860 Census of Macon County and The History of Macon County by Mrs. Louise Hayes. If it was a guessing matter and I found it in any or all of the above mentioned references, I used the one that I found. If I found no further mention of the name, I GUESSED and put a ? close by. If one of the names with a question is the one you are looking for, I would suggest that you look at the original tax digest to draw your own conclusions.

Many THANKS to Mr. Willard Rocker and his staff for helping me get the material together for typing.

POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues are: $15.00 for individual membership; $20.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: Twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. The society exchanges quarterlies with a number of genealogical societies and mails free copies to selected libraries. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Write for blank charts on which to prepare your pedigree.

ADVERTISING: The Society accepts classified and display ads for publishing in the QUARTERLY. Only ads of genealogical/historical interest, including supplies and services, books and periodicals, education programs and opportunities, workshop/seminar announcements, etc., will be accepted. CGGS will consider entering into reciprocal agreements with other genealogical organizations for publishing announcements pertaining to activities thereof. A display ad layout sheet, with cost for various size ads, is enclosed with each issue of the QUARTERLY.

MEETINGS: The Society holds regular monthly meetings with planned programs. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work.
